**SECOND MOTION
TO CONTINUE PORTION OF
HEARING**

**Docket No. 2014-010
Cause No. 139-115**

NEWFIELD PRODUCTION COMPANY, by and through its undersigned attorneys, petitions the Board of Oil, Gas and Mining (the "**Board**") for an order continuing the portion of the hearing in this Cause involving the pooling of the interests for the Nickerson #6-28-3-2W Well located in Section 28, Township 3 South, Range 2 West, and the Odekirk #11-12-3-3W Well located in Section 12, Township 3 South, Range 3 West, U.S.M. (together, the "**Subject Wells**"), from the Board's regularly scheduled March 26, 2014 hearing to the Board's May 28, 2014 regularly scheduled hearing. On March 7, 2014, in Cause No. 139-116, Newfield Production Company ("**Newfield**") filed a Request for Agency Action to amend the Board's spacing Order entered on May 9, 2012, in Cause No. 139-90 to provide retroactive application of that order to the dates of first production for the above-referenced Subject Wells for the drilling units established under that order encompassing subject Sections 28 and 12. The interested parties in Cause No. 139-115 (regarding the pooling of the interests in the Subject Wells) and Cause No. 139-116 are the same. The requested relief in Cause No. 139-116 directly affects the requested relief in this Cause

seeking pooling to the date of first production for the Subject Wells. Accordingly, Newfield's Request for Agency Action in Cause No. 139-116 should be heard prior to the hearing on the portion of this Cause involving the Subject Wells. Cause No. 139-116 is set to be heard at the Board's regularly scheduled April 23, 2014 hearing. The requested continuance until the Board's May 28, 2014 hearing will allow the proceeding in Cause No. 139-116 to be completed prior to the Board considering the portion of Newfield's Request filed in this Cause regarding the Subject Wells. A proposed form of Second Order Continuing Portion of Hearing is attached hereto.

Dated this 20th day of March, 2014.
